

RFID Wristbands

Zebra offers both direct thermal UHF and non-printable HF wristbands to meet the needs of most applications.

Direct Thermal UHF — These custom 1-day propylene wristbands for Hospitality and 7-14 day wristbands for Healthcare feature the SMARTRAC Trap 4E inlay. They are printed and encoded with our ZD500R™ printer.

Non-printable HF Wristbands — These custom multi-day propylene wristbands for Hospitality feature the SMARTRAC MiniTrack inlay and come in a dispenser box. They are durable for up to 3 to 5 days.

Ideal for These Applications

Hospitality

- Guest tracking and experience
- Cashless POS

Healthcare

- Patient identification
